

Key points:

- (i) The story is written and narrated by Zan Gaudioso.
- (ii) After graduating from junior high school, he joined a new high school, bigger than the previous one.
- (iii) The story depicts the importance of love, care and affection in one's life.
- (iv) The story also reflects the challenges and problems faced by a teenager.
- (v) The difference between the two words, a house and a home, is clearly shown.
- (vi) The narrator's house gets destroyed by fire and he loses everything ---- his house and his cat, his constant companion and source of entertainment.
- (vii) Surprisingly he receives everything that he needed from such sources which he had never dreamt of.
- (viii) His house was rebuilt and his missing cat was found---- all because of his new friends.

Very Short Answer Questions :

Q1. Who is the author of the story "A House is not a Home"?

Ans. Zan Gaudioso is the author of the story.

Q2. How was the author's first year in high school?

Ans. The author's first year in high school was marked by an awkward transition.

Q 3. What did the author notice one Sunday afternoon?

Ans. One Sunday afternoon, the author noticed smoke seeping in through the ceiling seams.

Q 4. What did the author's mother carry out of the house first?

Ans. In the midst of the chaos, the author's mother rushed out of the house with a small metal box containing important documents.

Q 5 What had happened to the author's father?

Ans The author's father had passed away when he was young.

Q 6. Why did the author's mother run into the house for the second time?

Ans. The author's mother went back inside the burning house to bring her husband's letters and pictures.

Q 7. What was the author worried about after the fire tragedy?

Ans After the fire tragedy, the author's greatest concern was the whereabouts of his missing cat.

Q 8. Why did they have to borrow money?

Ans. They had to borrow money since their credit cards, cash and identification were destroyed in the fire.

Q 9. How did the students help the author at school?

Ans. The author's classmates showed support by collecting money to help him purchase school supplies, clothing and other necessities.

Q 10. Did the author get his cat back?

Ans. Yes, the author was eventually reunited with his beloved cat.

Short Answer Questions :

Q 1. Why did Zan feel awkward and isolated during his first year of high school?

Ans Zan's position during his first year of high school as the junior most class made him feel awkward. The big size of the new school and the separation from his closest friends made him feel isolated.

Q 2. What happened to the narrator's mother when she had run into the burning house?

Ans. The author's mother inhaled a little smoke when she ran into the burning house. She was rescued by the fireman who put an oxygen mask on her after bringing her out. However she was fine soon.

Q 3. When did the author realise that his cat was missing?

Ans After five hours of a raging fire that burnt down the author's house almost completely, he realised that his cat was missing. He had not seen her all this time and realised to his honour that she was not to be found.

Q 4. Why did the author dislike growing up?

Ans. The author disliked growing up because he felt that growing up had brought so many losses with it. He had lost his old school, his friends, his house and most of all his dear pet cat.

Q 5. When does the author say " It was like Christmas " ? Why ?

Ans. The author says this when he gets inside the gym to see the surprise load of school supplies and different clothes on the big table only for him. This seemed like Christmas because these assorted gifts were similar to the surprise gifts that one gets from loved ones on Christmas.

Long Answer Questions :

Q 1. What role did Zan's school play in normalising his life after the fire accident?

Ans. After losing all his belongings Zan started feeling depressed and embarrassed. At this time, the friendly and helpful actions of his school mates changed his understanding of people and life. They brought him supplies, notebooks and clothes. People introduced themselves to him and invited him to their houses. He stopped feeling insecure and opened up to all. The company of his new friends and sharing joys with them made his loneliness vanish and reconnected him to life.

Q 2. How is a Home different from a House? Explain with reference to the lesson " A House is not a Home " ?

Ans. Life without love is no life. Human relationship is based on love. The title itself indicates it clearly that a house is not a home without love. Author faced adverse circumstances but led a satisfactory life with his old friends and teachers. In the new environment he felt like a stranger. And when his house caught fire he felt dejected and isolated. Although he started building a new house, he was not happy. His reunion with his cat, his new friends and the new house made his house a home.

Q 3. The lady who handed over Zan's cat to him did a noble deed. Write a few reasons to appreciate her deed.

Ans. The author loved his cat very much but lost it when his house caught fire. A month later, a woman came to him with his cat. He was glad. He grabbed it and started jumping. She was able to find the owner of the cat by seeing its collar and the phone number written on it. She was a good lady and understood the feeling of the owner of the cat. The author called her wonderful as getting his cat back

was no less than a wonder for him. Really, she did a noble deed.
