

Let us read

I lived first in a little house,
And lived there very well,
I thought the world was small and round,
And made of pale, blue shell.

I lived next in a little nest,
Nor needed any other,
I thought the world was made of straw,
And nestled by my mother.

One day, I fluttered from my nest,
To see what I could find,
I said the world is made of leaves,
I have been very blind.

At length I flew beyond the tree,
Quite fit for grown-up labours,
I don't know how the world is made,
And neither do my neighbours.
