SECTION-A

(Reading)

1. Read the following passage carefully and answer the questions that follow: $6 \times 1 = 6$

Thomas Alva Edison invented electric light. He loved to do experiments and to ask funny questions. Once he asked his teacher how the kites could fly without wings. The puzzled teacher thought him to be stupid and naughty and turned him out of the school. He was just eight years old when it happened. Edison's best teacher was his mother. She answered his questions, helped and guided him.

He read a lot of books. He bought them with the pocket money he received. At the age of twelve Edison became a newspaper boy in the railway. Out of his new income he purchased more books and carried out his experiments. He also gave a dollar every night to his mother. He began to publish his own newspaper and made more money. With it he set up a small laboratory in his railway wagon. One day a bit of phosphorous fell down and caught fire. It burnt his newspapers. He was turned out of the job at the next station.

- (i) Who invented electric light?
- (ii) What did he ask his teacher?

P.T.O.

(2)

- (iii) Who was his best teacher?
- (iv) Where did Edison set up his laboratory?
- (v) How much money did Edison give to his mother daily?

'Confused'.
- (b) Write one word from the passage for the group of words :
'A Place where experiments are carried out'.

2. Read the following passage carefully and answer the questions that follow: 6 × 1 = 6

One day a rich merchant was walking through the Mahendra Nagar street of the town where he lived; he was on his way to see his brother who lived at some distance from his house. He paused to watch a man who was badly beating his donkey. The merchant said to him why are you doing that? To make the donkey go", replied the man. "Is it right to beat the poor animal like that?" asked the merchant. "Certainly, it is", replied the man. "It is my donkey and I can do what I like with what is mine. "The merchant advised him to be kind to the animal but in vain.

The merchant thought for a minute and started beating the man with his stick. "Stop", cried the man. "What have I done to deserve this?" "Oh", replied the merchant, "This is my stick and I can do what I like with what is mine".

- (i) Where was the rich merchant going to?
- (ii) Why did the merchant stop on his way?
- (iii) Why was the man beating the donkey?
- (iv) How did the man justify his act of beating the donkey?
- (v) (a) Find out from the passage the word which means "a person who buys and sells goods in large quantities".
